CANDIDATES DEBARRED LIST

Date: 14/06/2024

Dear Candidates

Greetings,

This is to inform you all that a number of students have been debarred for mal-practicing in our examination. Our team and our proctors have thoroughly gone through each and every candidate and taken this decision on the following factors:

- Using mobile phones during exams
- Audio conversations
- Multiple face detections throughout the examination
- Repeating mal-practices after several warnings

However, we do keep in account the challenges that a candidate faces while giving an online exam so, we have excluded these below factors:

- Candidate using help from their parents to login at the start of the examination.
- Candidate giving exam in a noisy and crowd environment.
- Unexpected arrival and interaction of people with the candidate for few moments.

We take this matter seriously and we appreciate your cooperation in maintaining academic integrity.

***The below debarred students are not allowed to sit in our upcoming examinations this year.**
